# **Fresno/Clovis May 1-4** PRAY

*If my people, who are called by My name, will humble themselves and pray and seek my face . . . I will hear from heaven. 2 Chronicles 7:14*

## **WHAT:**

**A community wide opportunity to pray for our city and our neighborhoods. This is a non-denominational effort with one simple belief—prayer matters. We will literally pray the boundaries of our cities.**

## **WHEN:**

**Over a several day period from May 1 to 4. PRAY begins with the National Day of Prayer on Thursday, May 1 with a gathering at the Clovis and Fresno City Halls. On Saturday, May 3 believers will literally walk the boundaries of our cities and pray, AND walk and pray neighborhood by neighborhood. Sunday, May 4 is a day of celebration in congregations throughout our cities.**

## **WHO:**

**Sponsored by the Fresno/Clovis Pastors' Clusters. All believers from EVERY congregation are invited and encouraged to PRAY.**

## **HOW:**

**Participating congregations will take responsibility for a portion of our city boundary. Members from each congregation will pray for its immediate neighborhood and those of its members.**
